FOREWORD...

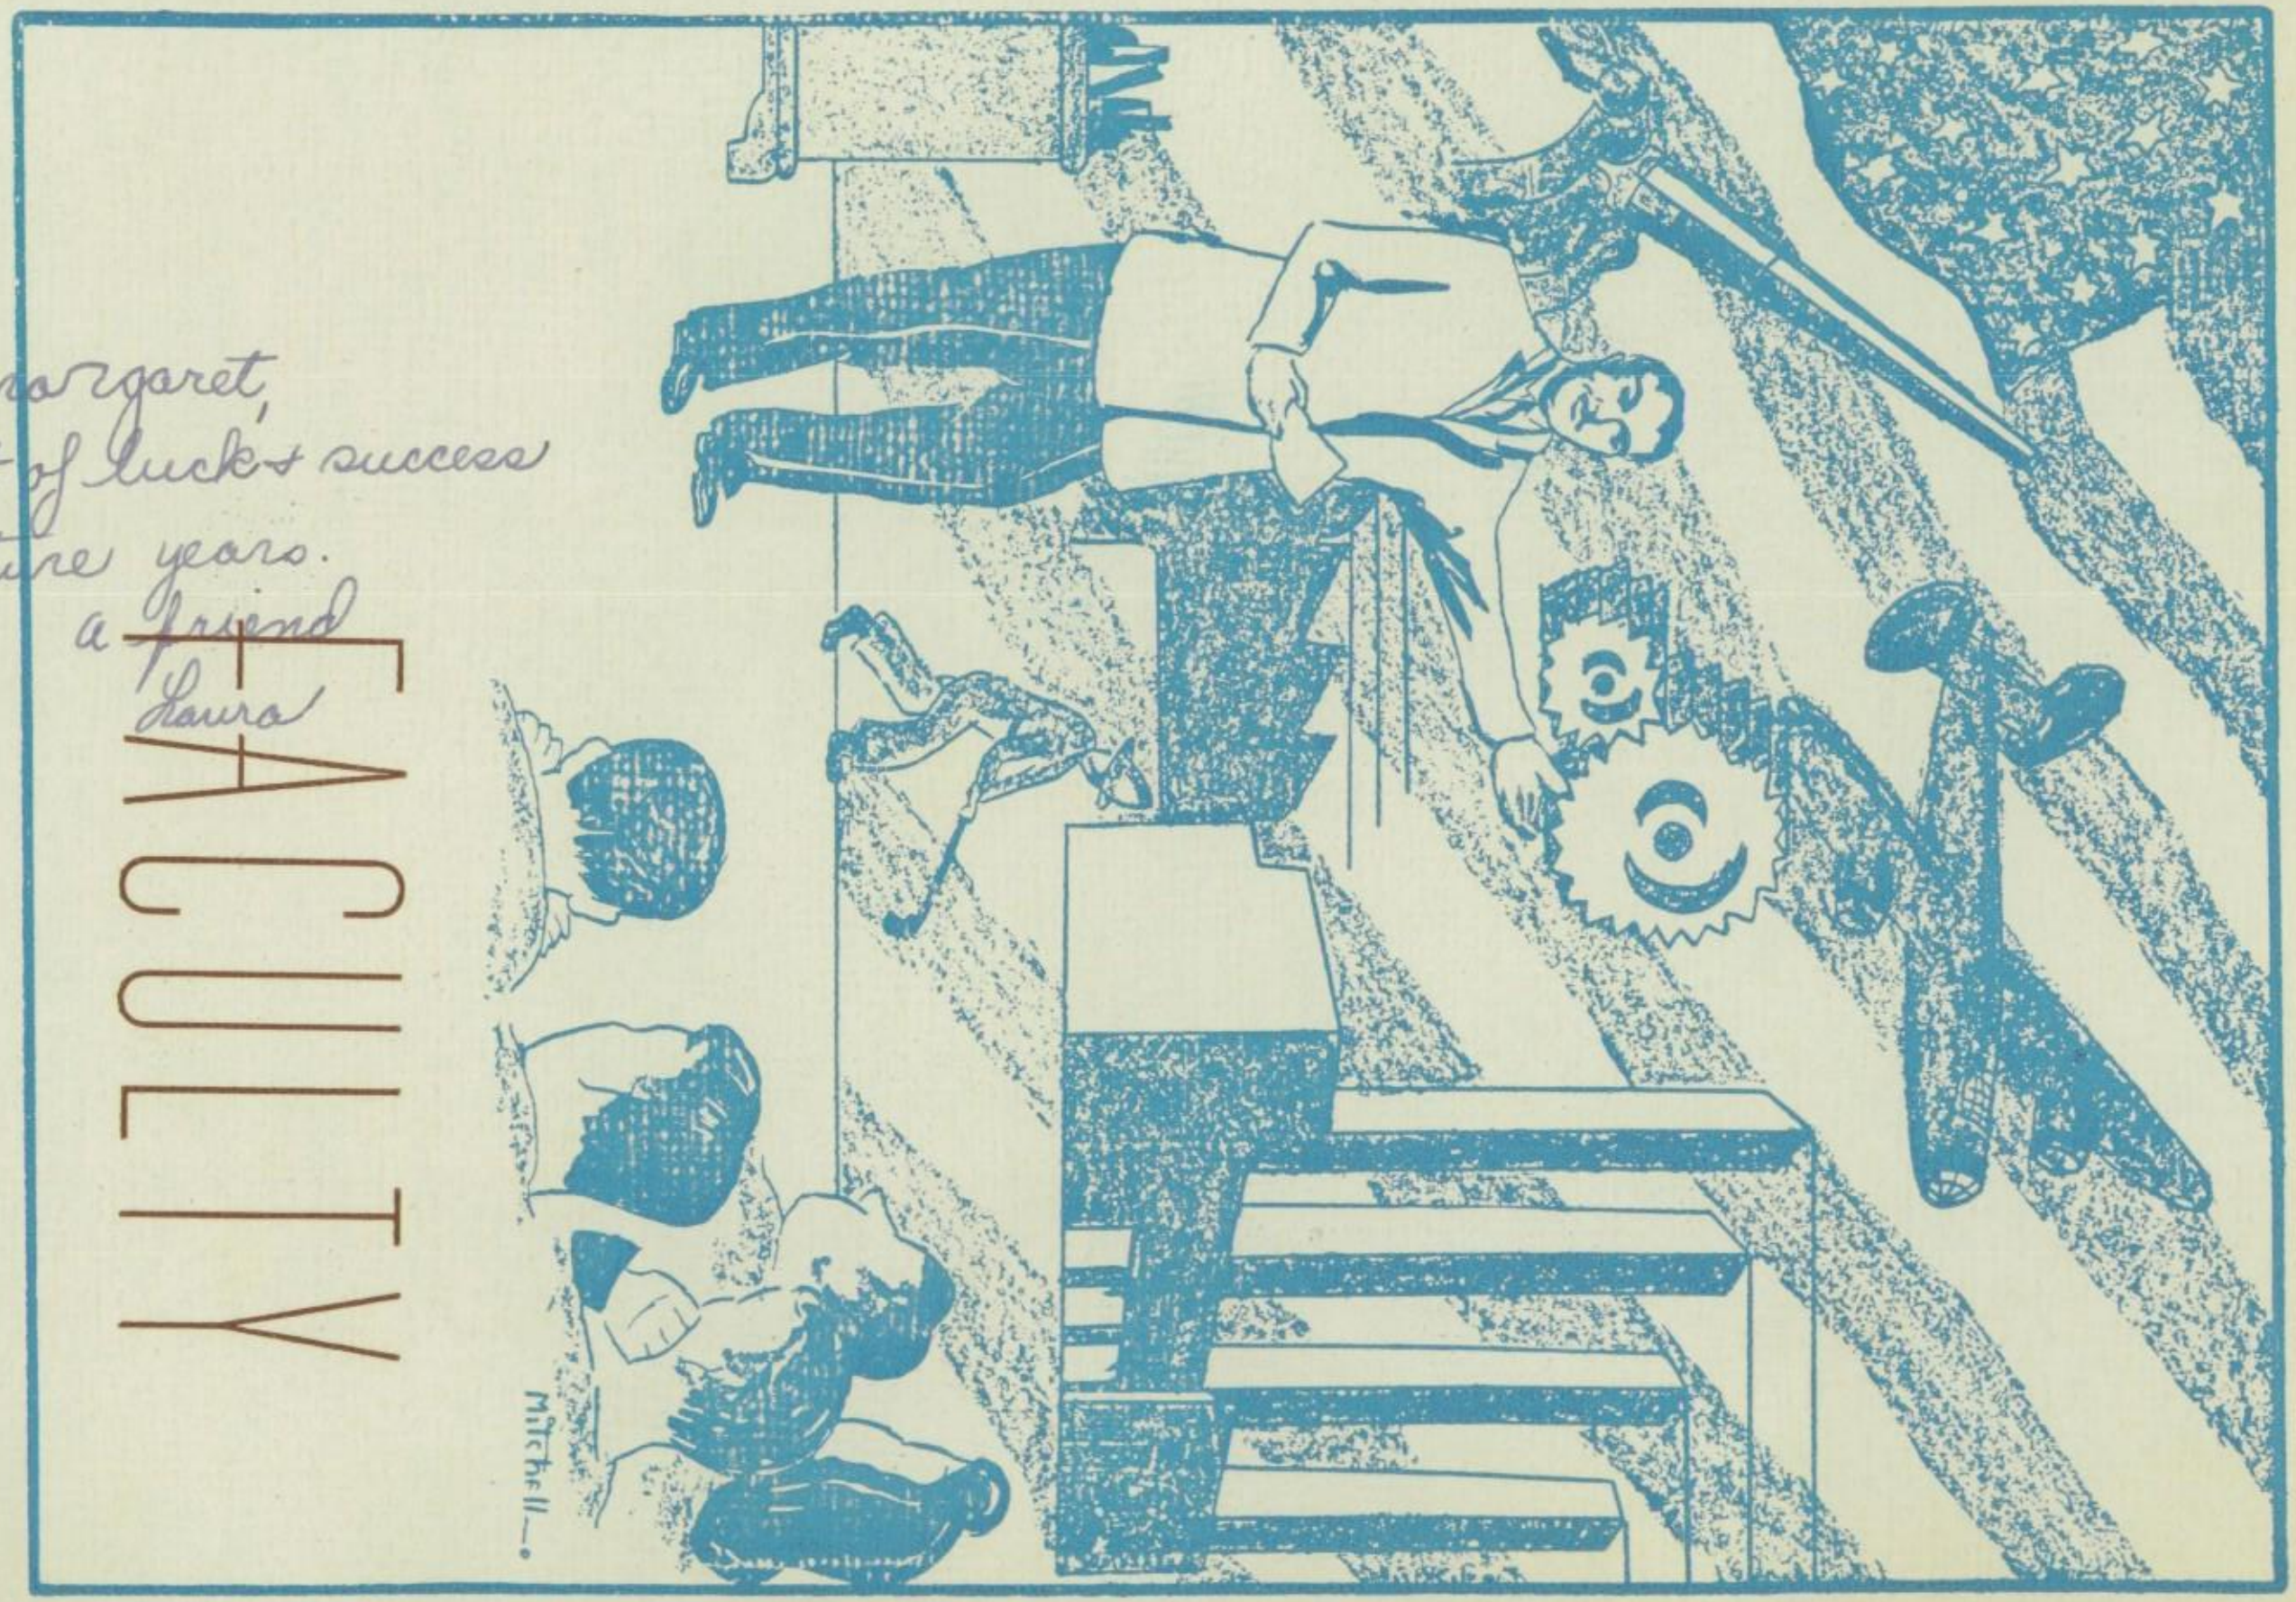
FACULTY



BOARD OF EDUCATION

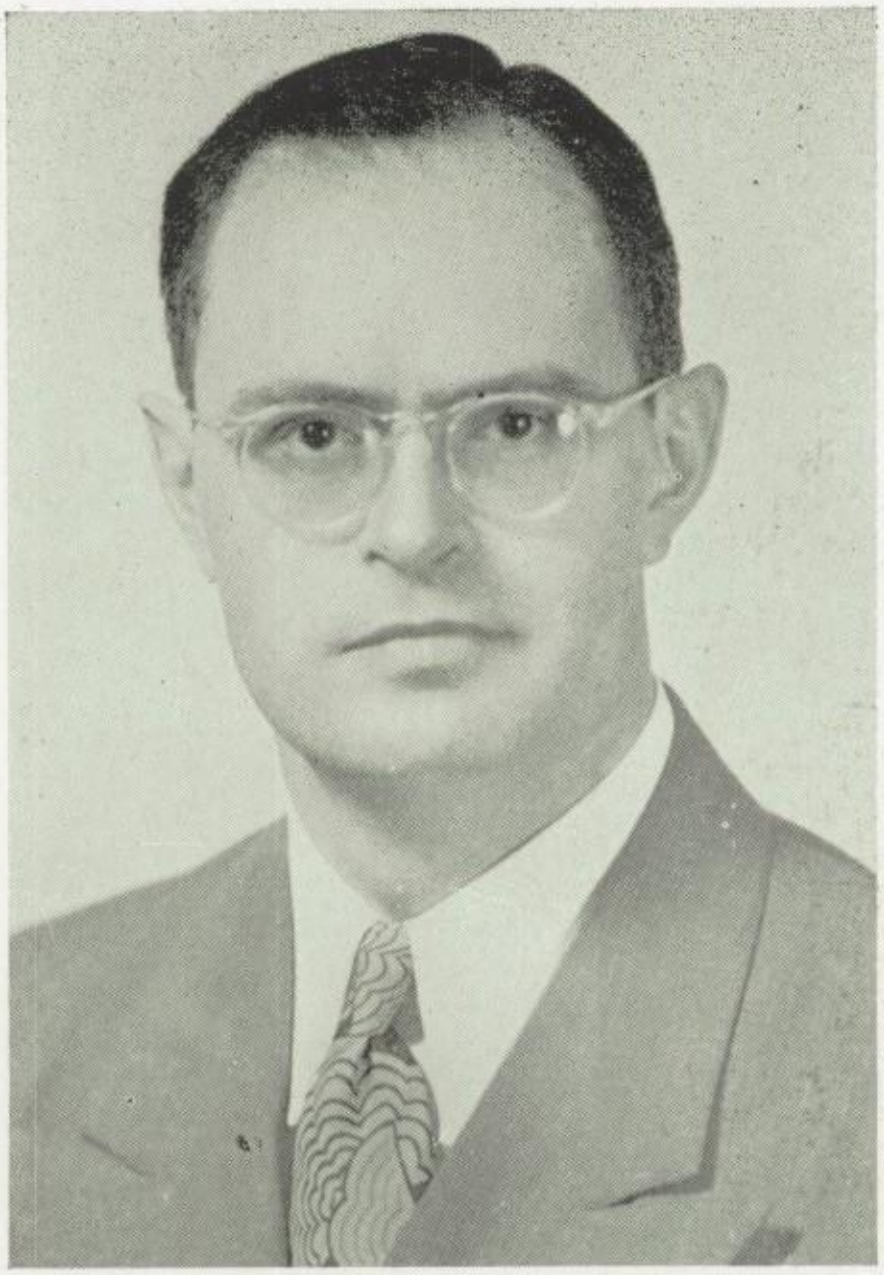
In their capable hands the people of Menominee have put the affairs of the city schools.

Left to Right: Mr. Ralph E. Brant, Mr. Louis Laursen, Mr. E. J. Perry, secretary, Mr. Joseph J. Winkel, president, Mr. John E. Henes, vice president, and Dr. S.C. Mason, treasurer.

MR. BRANT

This has been a strenuous year for you, with its unusual struggles, discouragements, and indecisions resulting from World War II, which has already called many of your classmates.

You must not lose courage during these times when things may seem to be out of perspective. Victories for you may be near when they seem afar. I sincerely wish the future will yield you the maximum of satisfaction in both material and spiritual values.



MR. MAC DONALD

C E MacDonald

The class of '44 has had the pleasure of welcoming a new principal. Mr. Cecil MacDonald came to us last September from Bay City, Lower Michigan. We regret that we have had only this one year with him but during this short time he has established himself warmly in the memory of us all.

Our best wishes go to him for many more happy years in good old Menominee High School.

SENIOR CLASS OFFICERS

HAROLD OTTERBACH, PRESIDENT—We think it is only natural that "Otty" should be elected as captain of our class as well as of the football and basketball teams. He is also a valuable member of the Hi-Y and Rifle Club. "Otty" would like to join the Army Air Corps after graduation as his contribution to the war effort, and the entire student body joins in wishing him "happy landings."

BETTY DESCHAINE, VICE PRESIDENT—Who could possibly fill this position any better than "Dolly" Deschaine? Betty has held responsible positions in the Tri-Y, G.A.A. and Rifle Club as well as numerous class offices. With her executive ability we are sure that "Dolly" will enjoy exceptional success in her chosen career as an instructor of physical education.

LOUISE GRUBER, SECRETARY—We didn't know it then, but we do know it now that Louise plans on taking up a secretarial course after graduation, but we struck it lucky when we unanimously elected her as our class secretary

DOROTHY ARMITAGE, TREASURER—As an officer, "Dottie" does excel, to her it's all in a days work, for she has been entrusted with valuable duties since time began for her at M.H.S. She has held numerous homeroom offices, as well as for the Tri-Y and others. We wish "Dottie" all the luck she deserves and that's a lot.

Senior Class History

The large group of young Freshmen that blotted registration blanks in the fall of 1940 was destined to reduce its size in number. After the war broke out in 1941 many of the class members left their school books behind and "joined up" with Uncle Sam.

While we were still in the fall of 1940 the Freshmen chose Betty, better known as "Dolly" Deschaine to lead them as their class president in this their first big venture. Art Adams was chosen vice president, Roger Fraid, secretary, and Dotty Armitage their class treasurer. The high spot for these young Freshmen was their "Frosh Frolic", made up of their own versions of various funny-paper skits. This was accomplished under the supervision of their class advisor, Miss Marie Collins. The first social event of the year for these young Freshmen was their Freshman Class Christmas Party which was held in the school gym.

When the class of '44 had completed the first division of its high school career, and their members now made up the Sophomore class, Harold Johnson took the lead as president aided by Ivan Johnson as vice president, Warren Heider as secretary and Harold Otterbach as treasurer. Under Miss Kittell's able leadership, the Sophs put on a very highly successful Soph Circus. It was then that various class members became some of the well known and well liked radio characters. Among them Henry Aldrich, Jack Benny, Dr. I. Q., Baby Snooks, and many others. These radio skits were complete even to the point of advertising. Some of the class members versions of radio advertising were what we might call "very original".

The Older Girls' Conference as well as the Older Boys' Conference was well attended by a large number from the Sophomore Class.

In the fall of the third year the governing authority was placed in the hands of "Gordie" Powell as president, Marvin Long, vice president, William "Bill" Nemetz, treasurer, and Warren Heider, secretary, and all proved to be capable officers for the Junior Class.

In athletic activities the boys of the class of '44 made decided progress in the fields of football and basketball. Some of the outstanding young athletes were Harold Johnson, Harold "Ottie" Otterbach, Bill Renick, Glenn "Buddy" Russell, Art Adams, Dick Obey, Alfred Turner, Marvin Long, Eugene "Pete" Betzinger, Bob LaCanne, and Aaron Buckley.

Under the excellent direction of Miss Williams, the dramatic coach, a talented cast presented the annual Junior Class Play—"And Came The Spring." Mary Lou Lemieux, Dick Obey, Bob Meyer, Dick Smalter, Jackie Bergman, Glenn Mead, Don Smalter, and Carol Erdmann ran away with the high honors for presenting a very delightful performance.

The crowning event of the Junior year, of course, was the Junior Prom. The gym was transformed into a Spring Garden. President "Gordie" Powell was Prom King and he chose Dorothy Huss as his Queen. Remember? A spring night in a beautiful garden. The sea washing up on the shore. The scent of flowers and the sweet strains of music—yes, we all remember it. The "Stardust" theme was proof of all the hard work and hours the prom committee put into it.

Jackie Bergman, Rosemary Grun, Mary Lou Lemieux and Greta Mae Smith took the honors in Forensics.

At last we have reached our final year at good old M.H.S. We are all determined to make this year the best of them all.

The officers of the Senior Class are: "Ottie" Otterbach, president; Dolly Deschaine, vice president; Dottie Armitage, treasurer; Louise Gruber, secretary.

Outstanding in athletics during their high school years were: Bud Russell, Art Adams, "Ottie" Otterbach, Harold Johnson.

Yet to come is the Senior Class Play. The doors of M.H.S. will close and we'll have taken all our memories and dreams with us and another class will take over the vacant place as Seniors.

Next year will find us in many parts of the world. Yet, we will all be together again when we think back and live again our high school days at M.H.S.

Senior Class Prophecy

★

If we were gifted with the ability to see the future, wouldn't it be great fun to look at our class ten years from now? Let us just suppose that we are able to see the future and we do see our classmates.

We would probably come across Glenn Mead fitting false teeth to Marvin Long who had gotten in another quarrel with Maurice. Dick Obey is hogcalling on Dick Stewart's farm, he's married to Luella Demeuse. Roger Fraid is a barker for a side-show in the Myers Brothers Half-ring circus. This circus employs Carlyn Breummer as the tattooed lady, Johnny Kehoe as a contortionist, George Hilsabeck as a weight-lifter, and Mabel Mitchell who draws portraits with her toes.

The 1954 Varga Calendar features Elayne Lemke and Lorraine Kellner.

We find Robert Lindquist whom we all remember for his extaordinary musical ability, ringing the gong at the lumber camp up in Alaska owned and operated by Bill Paitl and Clayton Roubal. Pete Betzinger works hard here crosspiling sawdust.

On U. S. Highway 9999 renowned throughout the world for going from no place to nowhere, we would find Ivan Johnson and his band, perhaps the last rubber band in existence, made up of Dick Smater playing third assistant on the jews harp, Carol Erdman playing shoe-horn, and Dottie Armitage still playing the field.

At a night club held by Carl Kveton, mortgaged to John Genisse, the floor show features Alice Theuerkauf, Betty Young, Betty LaCanne and Eleanor Gustafson in a tumbling act and the world famous Glamazons number among its members Carol Bergstrom and Delores Bailey.

Rosie Grun is the chief connoisseur in a Bouillon Factory near the Twin City Bridge.

Snooky Millette is president of J. Adam Polar Bear's Club which numbers among its members such prominent citizens as Irvin Mayer, Bud Russell, Bill Nemetz and Milton Jensen.

Harold Otterbach is piloting a Trans-Atlantic Airliner from Paris to New York and we find among his passengers Bobbie Stoppenbach who is returning from Paris where she has been picking out trained seals for her New York Vaudeville show. Nan Bothe is busy shoving aspirins down throats on the same plane, for she is the Flight Nurse.

Art Adams is the Shiek of Araby; included in his harem are six members of our class, Betty Betzinger, Dorothy Bilodeau, Dorothy Huss, Adeline Hofer, Helene Kuhnle and Jane Paque. Mike Anuta, who is Art's advertising agent, has also secured as more lovely damsels to keep Art happy. Mary Elizabeth Freis and Joyce Demeuse.

Joan Vieth is also working for Art, taking care of the royal livestock and Louise Gruber is right along helping Joan by pitching hay all day long.

Larvelle Pfankuch is now cook at a home for aged men and Ed Nohlechek and Ralph Peterson are attendants.

Gordon Powell, because of his marvelous performance at the Junior Prom, is now an instructor at Arthur Murray's School of Dancing.

Katie Affolter, after completing a complicated course, is now a full-fledged chimney sweep. Her assistant is Dolly Deschaine and between the two of them they make a clean sweep.

Don Smalter is a cheese-cake artist and is working for Bill Renick's Modeling Company; their favorite model is Rosemary Kleinke.

Ken Hranach is delivering clothes on his unicycle for the Super Laundry owned by Evert Johnson. Marilyn Johnson and Virginia Jurgens are expert ironers at the laundry while Ralph Roubal takes care of the machines

Lorraine Bramschreiber owns the Powder Beauty Salon and much to our surprise her most faithful customers are Jack Bilodeau, John Larson and Maurice Duprey. John has struck up a romance with Lorraine's chief operator, Greta Mae Smith.

Merle Doubek, who now resides in Atlanta, Ga., and Bob (William Playboy) Acker are president and vice-president respectively of the Union Temperance Union of that city. Most faithful members of the Union are Alfred Turner, Harold LaMack, Loren Kraus, and Robert Kollross.

Kathryn Kolanda, Shirley Goldstone, and Clara Nolde are visiting school teachers in Siberia.

Mary Lou Lemieux is in radio work; she now supplies the laugh in the Hermit program. In the same type of work we find another one of our illustrious class, it is Fred Farley who is a monster in a new series for re-educating the Japanese.

Betty Coakley and Lorraine Paque are in the Salvation Army, just now they occupy the street corner at Garb's handing out free samples of gum to the high school students.

Mary Lou Padgett is the successful author of a best seller "How to Get Along With the Opposite Sex." Her publishing company is owned by Clarence Vedin.

Idabelle Thompson is modeling overalls made by the St. Laurent-Rowe Firm, owned by Delores and Marjorie.

Ruth Rondeau is teaching Judo and in her class we see Francis Trempe, Fred Spaude and Ralph Martinsen.

Marie Knutsen and Betty Le Boeuf are waiting on tables at Joe Kabatek's Hashery where John Jensen is chief cook and bottle washer.

Harold Johnson owns the Birch Creek Daily News and employs Dan Haltug as a columnist with his "Advice to the Lovelorn", Dorothy Guber is his sportswriter.

Soren Alfredson, Richard Armbrust, Robert Barley and Melvin Brukardt, famous gangsters known as the "Horrible Four," finally got caught by Patrolman Warden Grun when he saw them trying to break into a penny gum machine. Two of their gun molls, Evelyn Danielson and Audrey Ewald were arrested with them.

Betty Lou Galineau, Ruth Gallinger and Frances Greenwood have formed a new labor union and are now busy scrubbing the stairs of the Lincoln Memorial in Washington, D.C.

Helen Greene is a gym instructor at the Harris Indian Reservation and Don Enstrom and Eugene Brodzinski are working there too as "Big Brothers."

Gay Beauclaire and Pat Lehman are running a canteen for soldiers in the Philippine Islands. They say that often they see Members of the Class of 1944.

Do you believe all of this? You don't?

THE JUNIOR CLASS

Now let's visit with the Junior Class awhile. This class has long been known for its outstanding students and activities. They wisely elected Carl Loewecke as President to lead the activities of the class. Ed Kuich as Vice-President. Jack Herman as secretary and Grace Anderson as Treasurer aided Carl in his many duties. Not the least of their activities was their participation in the fourth war bond drive during January and February. Of the entire amount received from the senior high school much was contributed by the Junior Class.

We are grateful to the Juniors of the Maroon News staff for their untiring efforts in making our Maroon News outstanding.

THE JUNIOR CLASS

The Junior Class play "Stage Door" will long be remembered by those who saw it. This three act play portrayed the trials of a young group of would-be actors trying to win a name in New York. The leads were Ruth Jean Schmidt, a young actress seeking fame on the stage, and Don McFarlane, a movie scout. A large supporting cast offered many chances of character portrayal. Shirley Drafz, the slangy sophisticate, Don Lokke, a struggling playwright, Shirley Beyer and Ray Bohne with their Negro characterizations were among the many of the outstanding ones as was Lou Westman in her portrayal of a one-time actress running a club for young actresses.

FRONT ROW, left to right—Steber, Worth, Spies, Wautlet, Siemann, Piontek. SECOND ROW—Noonan, Staurt, Lemke, Tordeur, Molignoni, Westman, StLaurent, Schneider, Twork. THIRD ROW—Schultz, Woods, Smith, Watkins, Schomer, Sobieski. TOP ROW—Sorenson, Wozniak, Severson, Salewski, Walters, Shatusky.

THE JUNIOR CLASS

Outstanding athletic ability wasn't limited to the boys in this class. We also find that the Juniors head the list on the Rifle Club team. These expert shots are Jim Maurer, Mary Stuart, Ray Bohne, and Stanley Langill.

THE FRESHMAN CLASS

Every freshman is proud of the part played in the activities of the Menominee High School by the groups you see pictured here. The biggest job they had before them was adjusting themselves to the new friends who were now coming to the class from the parochial schools. The ninth grade now has a total enrollment of 184 students, 97 boys and 87 girls. This is the only class in which the boys outnumber the girls.

THE EIGHTH GRADE CLASS

This lively class of Eighth Graders boasts an enrollment of 138. The girls, however, outnumber the boys in numerical strength but not in activities, for many boys played on the football weight teams and the boys in the class had a good basketball team which can be proud of defeating Marinette.

There is an imposing list of honor students in the class, perhaps the most outstanding, as we go to press, are Jean Henes, Lois Johnson, Adeline Kass, Ina Lemke, Doris Nielson, Barbara Perry, Justine Pribek, Jeanne Renick, Joyce Rotter, Arlene Schultz, Joyce Sharer and Faye Trombley.

THE EIGHTH GRADE CLASS

Among the many worthwhile "Victory" ideas that the busy minds of the cooking class had were two clever skits. One by Joyce Sharer and the other by Shirley Moran. Shirley's play, written for the Menominee County Nutrition Committee, was on "Propaganda Relating to Foods," and was prepared for radio presentation. Joyce's skit, which was on "Food in War," had as its actors the vegetables ,ably portrayed by the cooking class. The girls also served two luncheons, one for the twelve Extension Workers and another for the Teachers Club.

FRONT ROW, left to right—Lemery, Moran, Laren, Johnson, Lemery, Landree, Laundree, Hubert, Lysakowski, Kass, Maas. SECOND ROW—Obey, Janson, Hare, Nielson, Malcolm, Nordvall, Hansen, Harring, Hubert, Lemke, Rowe, Henes. THIRD ROW—Henes, Keller, Hofer, McMahon, LaCanne, Jones, Kolanda, Kapitz, McCormick. TOP ROW—Heckel, Haglund, Johnson, Iler, Hestrk, Kelly, Lerrett, Larson, Lemanski, LaLonde.

THE EIGHTH GRADE CLASS

This class also boasts of their part played in the various drives. In an effort to raise the sale of stamps and bonds the eighth graders took an active part in the essay contest on "Why I Buy War Stamps and Bonds" conducted by the English department. This class boasts that three eighth grade girls captured the prizes, Barbara Evans, first; Jean Henes, second, and Louis Mae Johnson, third. To show that they really meant what they were writing about these checks were immediately used to buy war stamps.

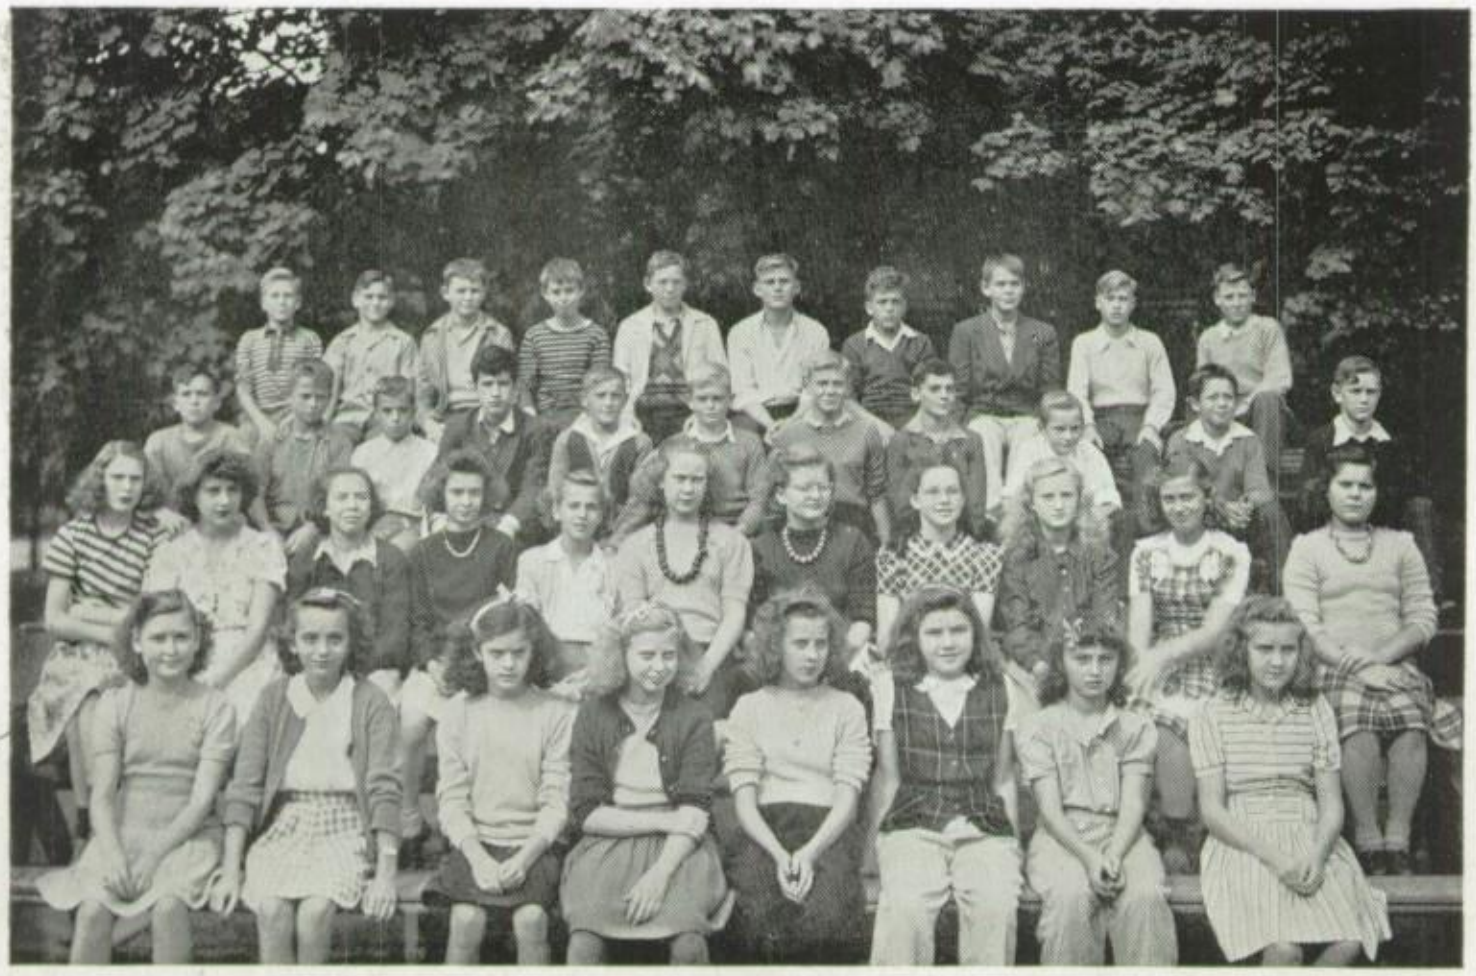
THE SEVENTH GRADE CLASS

Our seventh graders started right out taking part in school activities. First on the program for the boys was Weight Team Football. Now, if they live up to all the praise they received at the Football Awards Assembly, these future Juniors and Seniors are going to make wonderful material for some lucky coach (and I hope it's ours).



FIRST ROW, left to right—C. LeBouton, Kudlicka, Kehoe, Lemke, B. Haulotte, L. LeBouton, Lane, LaMack. SECOND ROW—Lerrett, LaLonde, Hilsabeck, LaFave, Lacoursiere, Larson, C. TOP ROW—Krawetzki, Laluzerne, McCormick, Grewe, Nadeau, R. Johnson, P. Johnson, Gunderson, Hansen, Lessard.

THE SEVENTH GRADE CLASS

The boys didn't have a monopoly on sports because we noticed the girls down in the gym playing volley-ball. Later in the year the girls played a group of basketball games with the eighth grade girls. Of course, the eighth grade won, but only after hard competition and a very close score margin. Don't worry, girls, you'll be eighth graders next year.

FIRST ROW, left to right—Ryan, Long, Long, Sobieski, Zoellner, Pellon, Thompson, Wauters. SECOND ROW—Moritz, Trapp, Schwartz, Schierland, J. Smith, S. Smith, Russell, Potter, Nelson, Slavic. THIRD ROW—Rick, Rabideau, Spaude, Tappen, Wautlett, C. Smith, Wilson, Frucha, Schmidt, Rothman, Wright, Stuart. TOP ROW—Prohuska, Siemann, Renick, Smith, VanHagen, Semke, L. Salewsky, Westman, C. Salewsky, Williams, Wells, P. Smith.

THE SEVENTH GRADE CLASS

In scholastic standing we find the top ones are Janet DeMille, Lavina Kehoe, Carol Haulette, Ivan Larsen, Rodney Kimball, Arlyss Lueskow, Marlene Moritz, Sally Thompson, Geraldine Wauters, Alvin Westman, Marilyn Brink, Robert Brink, Eugene Stuart, and James Bonk. Of course, there must be more and we know that next year most of you will have made the Honor Roll.

Now, in closing, we want to wish the seventh grade loads of luck. If they can have half as much fun and do as good work as they have and do now, we know they will be a success.

FRONT ROW, left to right—Cairns, Bignell, Enstrom, R. Beyer, DeMille, Enstrom, Bruso, C. Beyer, England. SECOND ROW—Ewald, Emery, Armitage, M. Brink Alfredson, Brunelle, Rassmussen, Dubey, Gibson, Beattie, Dionne. THIRD ROW—W. Boucher, DeLorme, Carlson, Alfredson, Engler, Fehrenbach, Deschaine, Dietrich, Bauer, Barker, Bailey. OUR STARS OF THE STAGE

This group has been developing a wide range of interest in things dramatic. One group studies and puts on plays, another is devoted to make-up and a third has worked on directing and securing properties for the public performance.

The faculty advisers are Miss Helmkamp, Miss Devine assisted by Miss Williams, the dramatic coach, and Miss Wagbo, of the Household Arts Dept.

Membership in the club is restricted to Seniors and Juniors who are interested in dramatics.

THIS BOOK IS OUR WORK

With a sigh of relief we can settle back and relax. No more write-ups to get in, no more dead lines to meet.

Much of the credit for the work being done in time goes to Miss Biddle, our advisor, Miss Kassing, in charge of the art work, and Mr. Lillegraven, in charge of the printing. Our editor-in-chief, Carolyn Breummer, received her aid from Bob Meyer, Bobby Stoppenbach and Rosie Grun as literary editors, Dolly Deschaine as sports editor, and Mabel Mitchell, art editor. The work is all done now and we hope you like it.

SEATED, right to left—Mitchell, Bothe, Stoppenbach, Meyer, Breummer, Grun, Deschaine, Bilodeau, Kleinke. STANDING—Armitage, Betzinger, Erdman, Johnson, Kveton, Lindquist, Smalter, Kehoe, Gruber, Lemieux, Bergstrom, Danielson, St. Laurent.

WE PRINTERS GET IT TO YOU

The publication of the Maroon News, the Record, programs, tickets, and the Varsity Star is due to the continual work of the Linotype Club. The members are quite proud for the proceeds from the Varsity Star this year were spent on new printing equipment.

All members must maintain a "B" average in printing and also passing grades in all other subjects.

Officers for this year were elected in May. The officers this year were: Harold Johnson, President; Loren Kraus, Vice President; Carl Kveton, Secretary; Kenneth Hranach, Treasurer; Ivan Johnson, Head Operator; Irvin Mayer, Club Reporter; and William Nemetz, Sergeant-at-Arms.

PUBLISH SCHOOL NEWS

We are justly proud of this bunch which gets out one of the best student papers in the state.

Some of the most popular features of our paper are our spotlighting of outstanding Seniors, our "Mike Column" which does a Winchell job of reporting the heart interests in the High School and our regular sports stories.

Evidence of the importance of this paper is that when our "newsies" come in with the latest edition we stop whatever we're doing and enjoy the Maroons News.

HI-Y HAS VARIED PROGRAM

The season got under way with the boys doing a good job selling hot dogs and candy bars at the football games. Then the day spent at Vasa Lodge offered a chance for feed and fun in the woods.

Some of the outstanding programs have been the talks by visiting speakers. Ensign Ray Fahlstrom gave the boys interesting information on the Merchant Marine. Our principal Mr. MacDonald addressed the boys at one meeting. At another, Paul Konsterlie talked about China; this was a joint meeting with the Tri-Y.

The swing band, which has added fun to many school affairs, is a Hi-Y product. This "Jiving Five" includes Fred Farley, Dick Smalter, Bob Lindquist, Donn Lokke, and Ed Kuick.

The very efficient officers were Roger Fraid, Frank Cadieu, Jean Kreuz, Dick Smalter and Dick Obey. Mr. Davis is the faculty adviser for this group.

TRI-Y CLAIMS SCHOOL LEADERS

To begin the year the Tri-Y had as its very special leaders: president, Carolyn Bruemmer; vice President, Dot Armitage; secretary, Carol Erdmann; treasurer, Betty Deschaine.

After the initiation and banquets that annually welcome new members chosen for their scholarship and leadership, the girls got down to business. They decided that in order to be good citizens it was necessary to know a little about many subjects. This was reflected in the variety of programs.

Highlights of the year were a report on Madame Chiang Kai-Shek, on Music, Cadet Nursing, Red Cross, a talk on China, and a report of Boy's State and Girl's State.

During the year, social activities included an annual Christmas party, a get-together with the Hi-Y, a Mother and Daughter Tea, and a Senior luncheon in honor of the graduating members of the group.

READY! AIM! FIRE!
ACCURACY IS THEIR MOTTO

This year the members of the Rifle Club learned a few of the essential techniques in the correct ways of the handling and shooting of guns. This training will come in handy to most of the boys who will soon be shooting bullseyes in Japanese instead of targets.

The Rifle Club team that consisted of the sharper shooters are: Mary Stuart, Dick Smalter, Dan Haltug Mike Anuta, Jim Maurer, and Chum Schilawski. These boys and girls won two matches from Marinette.

The officers of the Boys Rifle Club are president, Bob Meyer; Sec. Treasurer, Dan Haltug; and Rangemasters, Jean Kruez and Dick Smalter. The club adviser is Mr. Eidt.

FATS! SCRAP! CANS! WE COLLECT THEM

The Junior High Girl Scouts and Senior Service Scouts of Menominee High School have been concentrating most of their work this year on helping in the war effort. We may be very proud of the Service Scouts for they, under the capable leadership of Mrs. Dewane and Miss Kaariainen, have been helping relieve the shortage of help at the hospital.

The Junior High group has helped in the war effort by collecting fat, rags, clothing, and making articles for the Junior Red Cross. The leader for this year was Mrs. P.H. Coover, assisted by Mary Lou Lemieux. During the first semester Doris Powell was president of the group, and during the second semester Mary Lou Smalter was president. We congratulate the girls on their fine work.

IN BLENDED HARMONY WE SING

"The Beauty and Inspiration of Music, not for a Privileged Few, but for Every Individual." This pertinent thought has been the highest motive of the a capella choir for this successful year.

The chorus has maintained its unusually high standards with the presentation of its two annual concerts, and much of the credit is due to our able director, Mr. Paul Gilbert.

The graduating class will take with it nine members of the chorus. They are Mary Lou Lemieux, who has served for two years as our efficient pianist; our outstanding bass soloist, Richard Obey; and also Richard Armbrust, Roger Fraid, Carole Bergstrom, Shirley Goldstone, Eleanor Gustafson, Mary Lou Padgett and Carolyn Bruemmer.

MUNICIPAL AUDITORIUM, APRIL 28, 1944

Mr. Paul H. Gilbert, Director

IN STEP WITH THE TIMES

This organization is one we may well be proud of; numbering fifty students, they are learning now what the appreciation of fine music can give. This Concert Band is under the direction of Mr. Paquette.

Seniors who have worked five years in the band are: Ivan Johnson, Bill Meyer, Bob Meyer, and Loren Millette; Dorothy Armitage and Carol Erdman have been members for four years, other Senior members are Ralph Roubal, Fred Farley, Dick Smalter, Dolly Deschaine, Bob Lindquist, Dan Haltug, Mabel Mitchell, Lois Janquart and Lorraine Bramschreiber.

Since our book goes to press before the Spring Concert, the picture used was taken last year.

METROPOLITAN, HERE WE COME

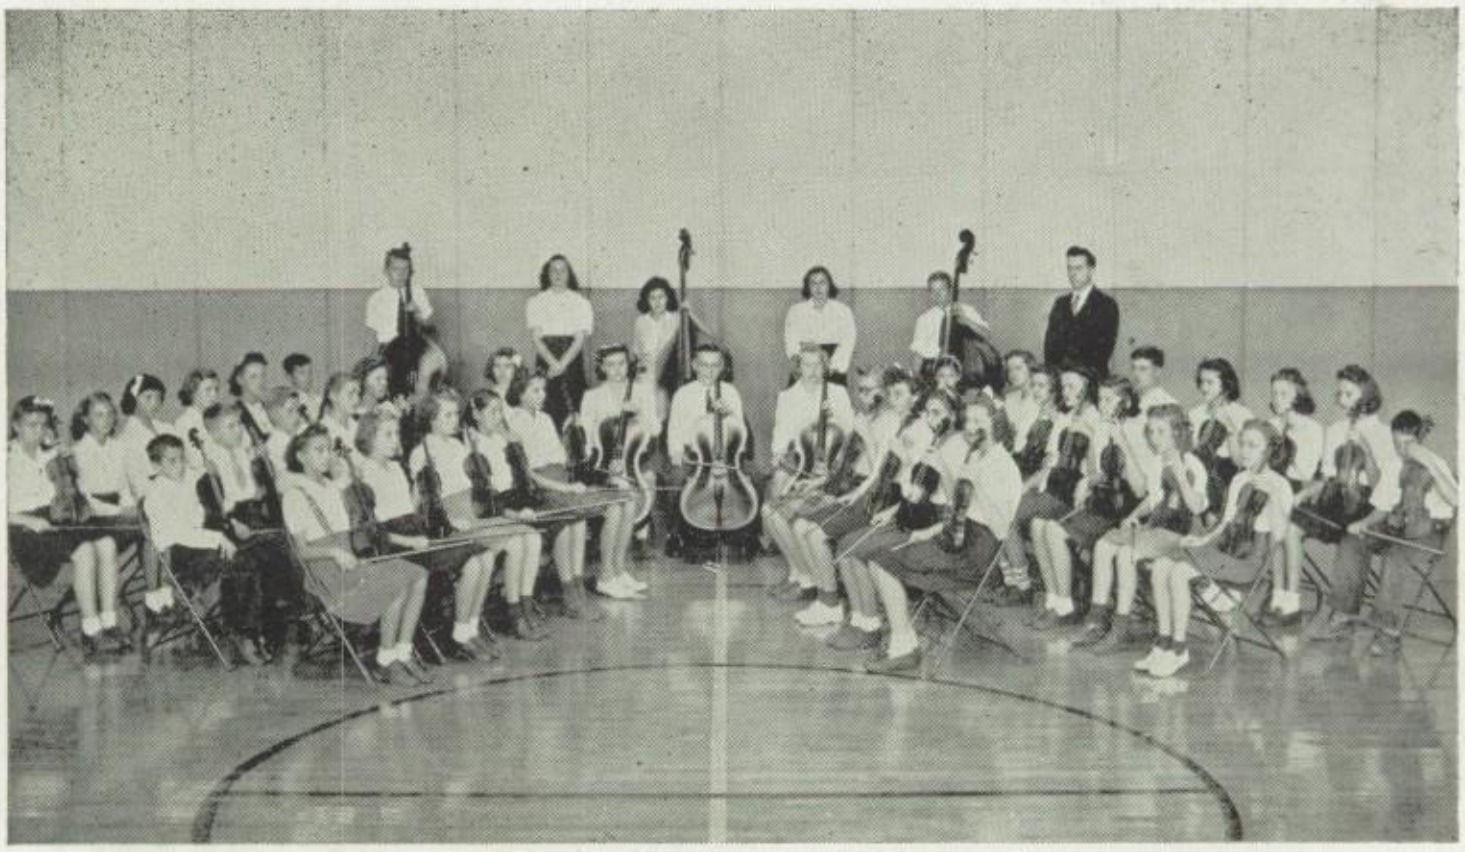
As a new organization, considerable interest by the young musicians has been shown in the string ensemble, which is now in its second year.

At the present time, the class is composed solely of string instruments, which is the forerunner of a select symphony group.

There are at the present time, twenty-one violins, four violas, seven cellos, and four string basses. Marion Chervenka is their concert master.

On the twenty-sixth of May, the string orchestra under the direction of Mr. Paul Gilbert, combined with the Junior Band directed by Mr. Octave C. Paquette, presented an excellent program including such numbers as "War March of the Priest" from "Atholia" by Mendelssohn; selections from the opera "Martha" by Fischel which were played by the string orchestra were splendidly rendered

Such numbers as "Louise" by James Fulton, "The Admiral" by Edward Russel and "The Ambassador Overture" by W. D. McCaughy played by the Junior Band added to the success of the concert.



FRONT ROW, left to right—Slavic, Brink, Sherman, DeMille, Delfosse, Welsch, Ryan, Smith, Chervenka. SECOND ROW—Greenwood, Boucher, Hansen, Emery, Schultz, Renick, Decker, Christianson, Rotter. THIRD ROW—Gaspar, Enstrom, J. Smith, Ewald, Parrett, N. Smith. STANDING—Schmidt, Schierland, Ries, Loll, Place, Mr. Gilbert. Seated—Jones, Nordvall, Comers, Maline, Vincent.

THE POINTS THEY MAKE ARE NOT RATIONED

Even though Menominee no longer takes an active part in inter-scholastic debates, debating is still done in the ninth and tenth grade English classes.

The final non-decision debate was held on Wednesday, February 23, in the Auditorium. The tenth grade affirmative was upheld by Denise Derricks, Joyce Janquart and Carol Hostvedt. The ninth grade negative team consisted of James Betts, Francis Henes and Marjorie Morrison. Lucian Bauer presided and the two alternates, Bessie Martindale and Lois Lindblom, were the time keepers.

As we go to press the declamatory contest has not been held but it promises interest in such selecions as "The Soul of France," "Mme. Chiang Kai Shek" and "Just Dreaming."

Dramatic readings will feature "The Moon is Down," "King Lear's Daughters" and "The Tell Tale Heart."

Lots of luck and success in the future to a swell kid. Jan Emerson

A GLAD HAND FOR M.H.S.

Here, students of M. H. S., are our cheerleaders. Many is the time when this cheering crew brought forth a few more yells from a disappointed crowd and led the Marrons to victory, or helped to make a more peppy crowd at the rallies. Jack Kehoe and Mike Anuta, the team captains, are leaving this year, but we still have Jean Marie Gallagher and Kenny Kraus for another year and Janet Anuta for two more years and they will keep the crowds cheering for the Redmen.

KNEELING—Mike Anuta, Kenny Krause. STANDING—Jean Gallagher, Jack Kehoe, Janet Anuta.

Best of luck in the future and in the summer vacation

VARSITY PLAYING SQUAD

CAPTAIN HAROLD "OTTY" OTTERBACH led his team through a good season. This was Otty's third year on the Maroon Eleven and his ability was shown by his being chosen tackle on the all-state team.

"BIG DICK" OBEY with his uncanny ability at snaring passes, scored a touchdown in every game except the M & M. His loss will be felt greatly next year.

"ART" ADAMS played a beautiful game of football this year, especially against Iron Mountain. Menominee's loss is the Navy's gain.

"BUDDY" RUSSELL played a bang-up game this year until his ankle was banged-up in the Iron River Game.

HAROLD JOHNSON'S consistent blocking contributed considerably to the teams success.

"PETE" BETZINGER engineered the offensive that brought Menominee through a successful season.

BILL NEMETZ was one of the main-factors why only four teams scored against Menominee this year.

"GENE" BRODZINSKI playing his first year on the Varsity, showed up well in the end position.

VARSITY FOOTBALL RESUME

Coach "Fritz" Miller started the Maroon eleven out on a whiz bang season this year with a 30-0 victory over Peshtigo. With odds against them they went ahead and polished off the Soo in a 32-13 trouncing with a flashy passing attack and some hard running. Their first defeat came by the hands of a more powerful Escanaba team with a score of 12-6. The Maroons came from behind in the fourth game of the season with Iron Mountain, led by Adams and Russell, and won with a score of 13-6.

The Maroons chalked up their fourth victory with a 14-0 win over Iron River. Dick Obey accounted for both touchdowns on two passes from Russell and Arnost in the end zone.

Coach Miller's powerful Maroons made it five wins out of six games by smothering the Oconto Blue Devils 21-0 at Oconto. The Redmen showed alertness by blocking an Oconto punt. Two touchdown passes were completed and a safety was scored. The Maroons rolled over Stephenson with a score of 46-0, with everybody including the waterboys playing. It was a good build-up for the M & M game.

On November eleventh the Maroons were all set to check the Marinette quarterback "Jug" Girard but because of circumstances beyond our control, Marinette edged out with a score of 7-0. This wound up one of the Redmen's best seasons for many a year.

LETTER MEN END SEASON

The Maroon's greatest triumph this year came when they were victorious over Escanaba, the Upper Peninsula champs, on our own home floor. The fire of victory was dampened, however, when "Jug" Girard led the Marines to victory over the Redmen on both courts.

In the Twin City tourney with Lourdes the Maroons won both games.

Regulars who will not play on the high school court next year are Art Adams, who has gone to the Navy; Glenn Russell, our top scorer; Harold Otterbach, most efficient at the rebounds; Bill Renick and Warden Grun.

Next year's propects look good with Cadieu, Jozwiak, Kreuz, Loewecke, Brink and LaLonde returning, perhaps to assure Coach Miller of a U. P. championship.

Left to right—Grun, Loewecke, Russell, Renick, Brink, Otterbach Ed Kuich, Student Manager, Coach Miller, Cadieu, Jozwiak, Guy, Kreuz, LaLonde, Adams.

JAY-VEES BREAK EVEN

The season for the Jay-Vees was a good one, there were enough wins and spectacular ones to make the fans feel proud of them, and enough defeats to keep them from getting too cocky.

In the tourney they won the first and second rounds and then lost a heart-breaker to the Manistique Emeralds who won the tournament.

The Jay-Vees may well be proud that on the all tournament team, Jack Christianson, a Junior, and Bob Boucher, a Sophomore, were named.

STANDING, Left to right—Prescott, Bourassa, Haasch, Jones, Deschaine, Gregory, Kowalski, Coach Chambers, Hamblen, Schilawski, N. Gerber, A. Gerber, Christiansen.

AMAZONS? JUST GOOD SPORTS

Another successful year has been written down in the G. A. A. record book. Led by the adviser, Miss Kaariainen, many competitive sports events were held. Bowling, tennis, basketball, volleyball, and baseball were the major sports.

The G. A. A. started off the year by welcoming one hundred and six members into the club. Those receiving officers pins at the fall banquet were Dolly Deschaine, President; Betty Wood, Vice President; Secretary, Mary Elizabeth Freiss; and Treasurer, Roberta Stoppenbach.

The season's highlights were the Volleyball Tournament in which the Freshman took the championship. A heated basketball tournament in which the Seniors also walked off with the championship from the Juniors.

Still in the basketball season the club sponsored a dance after the M&M game, one of the most successful school dances ever held. The profits were used to buy new sports equipment.

Other events were the baseball game, the tennis tournament and the annual spring banquet at which the awards of the year for all tournaments were given out. Bowling this year was one of the sports which were held just for fun.

WE HAVE FUN ON THE COURTS

Miss Fisher's Seniors took the championship after playing and winning two out of three games with hard fighting Juniors. Pat Lehman and Helene Kuhnle held topnotch scoring honors closely followed by Dolly Deschaine, their captain, Gaye Beauclair and Dorothy Huss who held down the other forward positions. The guards who shared in holding their opponents to low scores were Rosemary Grun, Ida Belle Thompson, Mary Lou Lemieux, Betty Galineau, and Mary Elizabeth Freiss.

The Juniors coached by Miss Favero ran a close second and more than once that flashy little forward Doris Hofer worried the Seniors with her expert shooting. Her running partners were La Verne Bauer, Mary Stuart, Grace Anderson and Stella Beaudo. The guards led by Betty Wood, the captain of the team, were Bette Chernetski, Hildegarde Pontow, and Faye Wautlett.

The Sophomores, who won third place, were coached by Betty Wood, who had Muriel Kapitz as captain, Genevieve Bunker the high scorer, Virginia Ryan, Beverly Boufford, Milly Van Domelen and Kathleen Lehman, who alternated on forward and guard positions.

Next in line were the Freshmen, coached by Betty Deschaine. The hard work of June Juengling, their high scorer, Frances Jean Henes, Rosemary Haltug, Boots Hofer, and Marita Anderson in the forward positions and the captain Phyllis Welsh, with Jane Decker, Mary Ann Gilbertson and Betty Bruso filling the guard positions made this group a hard team to beat.

The Junior and Senior preliminary before the Stephenson game gave the fans a chance to see the girls in action. The Seniors nosed out their opponents with a 37-33 score. This game did not count in the tournament but it is rumored that it is to be an annual event.

Maroons Shine In 32-13 Victory Over Soo Devils

Coach Miller's alert Maroons, sparked by some hard running and a flashy passing attack, very decisively trounced the Soo eleven 32 to 13 in their first home game of the season Saturday, September 24, before a spirited crowd of about six hundred people assembled in the Walton Bleach stadium.
